

Central Texas Telephone Cooperative, Inc.

"Your Telecommunications Link to the World"

Press Release

Mid-Tex Cellular, LP, announces that it is now wholly owned by Central Texas Telephone Investments, LP, a subsidiary of Central Texas Telephone Cooperative, which is based in Goldthwaite, Texas. Mid-Tex Cellular is a local cellular company providing wireless mobile voice and data services in Runnels, Coleman, Brown, Mills, Comanche and Erath counties. Central Texas Telephone Investments, LP, has been a partner in Mid-Tex Cellular for many years along with Comanche County Telecommunications, LP.

On June 18, 2009, Central Texas Telephone Investments, LP, acquired the ownership interest of Comanche County and now owns 100% of Mid-Tex Cellular. CEO Mike Higgins of Central Texas Telephone Cooperative, stated we are very excited to announce this acquisition of Mid-Tex Cellular as we now combine forces with West Central Wireless and Five Star Wireless, cellular telephone companies owned by Central Texas Telephone Cooperative, to provide cellular service and customer care in more than 25 contiguous counties throughout West Central Texas.

Higgins stated that Central Texas Telephone Cooperative will use its resources and 22 years experience with West Central Wireless in the cellular telephone business to continue to improve the service of Mid-Tex Cellular with additional cell sites, faster data speeds and a larger combined home coverage area. Higgins also indicated that many of the current employees that work with Mid-Tex Cellular will continue to be employed in order that they may provide a quality seamless transition to its customers.
